Because once swore an oath to protect her. But now his life has become too unpredictable... In 2018, the TV series Rodina was released in Russia about the work of the Russian special services, hiding the investigation of serial murders. Among the secondary characters is the famous writer Alexei Krutoy. The actor will appear in the image of Alexei Blagonravov, head

of the new department of internal investigations. Production of the Rossiya TV channel. One of the most striking figures of Soviet cinema was the brilliant Mikhail Zharov, whose name in the 60-80s of the last century was associated with cinematic legends and the well-known "legend No. 17". However, despite the fact that the shooting of Rodina has already passed and the film is actually ready, the Wikimapia website notes that Zharovsky's house burned down as a result of an explosion in 2002. Despite the fact that the experts could neither confirm nor deny the version of the explosion of the Zharovsky house in 2002, interest in the history of the Zharovsky estate does not subside. It is known for certain that Mikhail Zheglov and his partner

Volodya Sharapov stayed in this house. And it was here that the infamous meeting between Experienced and the Cat from the "Diamond Hand" took place, which ended tragically for the Cat. Dmitry Kiselev talks about this and many other things in the documentary cycle "Myths. Secrets. Legends".
