'Elder Story: New Fantasy RPG' is an action RPG for Android, iOS and Amazon Android game. The game is developed by Illusion Lab(AB). Elder Story: New Fantasy RPG is a fantasy-themed MMORPG game in which character development is vital for completing and enjoying the game. At the same time, this MMO title offers a unique asynchronous online element, in which players can feel the presence of others, and can feel more like an adventure that occurs between friends than a lengthy MMO. Furthermore, connecting with others and the journey to a Fantasy Lost Land on the Lands Between is an interactive online story that each player can enjoy. =====

• An Action RPG The action RPG elements of combining and attacking are supported. There are different types of attacks, including various striking techniques and a variety of magical attacks, such as the ball lightning attack. It also supports a dodge and parry system that lets you block, and a binding to execute special skills. • An Immersive Fantasy World After battle, you can challenge monsters in various environments, including overgrown fields and vast ruins, in addition to dungeons. Gather information in the form of Monster Information and Attack Visual. • One of the Richest Features of the Action RPG genre You can equip various weapons and armor with various elements. You can choose your own style that consists of weapons, armor, magic, and skills. Crafted weapons can also be upgraded by collecting "Elden Ring Dust" from defeated enemies. New weapons and armor can also be crafted by the various elemental-based crafting elements.

CUSTOMIZE your Character Class There are seven classes to choose from, each with their own strengths and weaknesses. Each class comes with a unique story that you can deepen by collecting the various equipment.

- ▼Hero Class(Protagonist) The hero of the story is the protagonist, Tarnished, a young man who is still in the process of awakening his latent power. He is quick-witted, courageous, and strives to be a hero that is worthy of the name. He is armed with a full set of equipment, including a full set of weapons, armor, and magic.
- ▼Mage Class(Advanced) The magician is an agile, skilled, and calm person. With knowledge of the theory of magic, he is quite skilled at using magic.
- ▼Rogue Class(Sneaky) The rogue is an agile, nimble, and playful person. Although he may be somewhat dirty in his appearance, he can disappear at the drop of a hat and make use of clever tactics to throw his enemies off guard.
- ▼Ranger Class(Capable of Fighting) This class brings together the mechanics of all three classes, and is equipped with a full set of equipment, including a full set of weapons, armor, and magic.
- ▼Berserker Class(Intimidating) The armored berserker is a brash warrior who is armed with armor and weapons as well as a full set of magic. He has an incredibly high burst attack, and when mounted on
