cooperation with a team comprised of young, energetic, creative and talented members. In January 2015, Elden Ring Game was announced at a joint conference for the TONS Project and the PSP RPG, "KAMAGASKI × NEW FANTASY ACTION RPG: Elden Ring." Elden Ring Game is a new IP that links RPG and TONS, and it will not resemble any previous work. In the ELDEN RING STORY The Events In the Prologue story, the player leads their character, a mortal man, through their adventure in the Lands Between. During the main story, players will battle against the main antagonist, the creature called the Queen of Doom, and the characters will grow and make their choices. After the main story, there are several story mode quests, to which the player will receive rewards upon completing. The Game System A wide variety of people will participate in the Elden Ring Project, but we will introduce new elements to the world. The game will feature many different characters, and the world will be filled with a
