after being treated by Brock, Weying frees the Venom symbiote, and the two of them go to the lab to find Brock's ex-wife, in order to save her life. When Brock's wife is saved, he wants to be cured of his ailment. However, Brock refuses to be cured, and begins a self-destructive journey to stop the symbiote from taking over. Along the way, he encounters Spider-Man. Meanwhile, the symbiote has moved on to a new host, who is revealed to be Betty. The symbiote has taken control of Betty and, in the process, she is drawn into a conflict between the symbiote and Brock's daughter, Vanessa. The symbiote takes over Betty, leaving Brock's daughter a semi-conscious and damaged Vanessa. At the end of the movie, we learn that Brock has become the new host for the Venom symbiote and that he and Weying now live as a family. Meanwhile, Weying has built an army of clones of the symbiote, with the intent of freeing them. Weying has already had a face
