When the movie ends, viewers are left with an image of a soccer ball superimposed on the Chinese characters for "joy." I'd say they got it right. Shaolin Soccer is a pure celebration of the joy of sports. There is joy everywhere, from the dancing and singing to the flamenco-style soccer moves. Shaolin Soccer is the most successful Hong Kong movie ever. For a film about soccer, it is not just a comedy, but a meditation on what soccer means to China. Yet, its joyful spirit is also universally entertaining." --- Ronnie Scheib, The New York Times HD Online Player (Shaolin Soccer Full Movie English Du) Internationally, Shaolin Soccer is considered the best soccer movie ever. It is also a great spoof of Hollywood and a nostalgic look at 1980s Hong Kong.

Hong Kong directors Wong Po and Ronny Yu (Beijing Bicycle, Mahjong) created an elaborate world unto themselves, with absurd characters, comical humor, and eye-popping visuals. This is one of Hong Kong's most prestigious and memorable films. It has surpassed every other period comedy in Hong Kong today, with its status as a cult classic. At the same time, the Shaolin series is the most complete expression of Hong Kong director Wong Po's imagination. For many, Shaolin Soccer is more than a movie, it is more than entertainment. It evokes a sense of nostalgia for a city that, for many people, no longer exists. Shaolin is a part of their lives, like kung fu. While many people

still dream of going to China and studying kung fu, nearly all of them have never been to Hong Kong. So, their dream of being a kung fu master has given rise to a dream to become a Shaolin master.
