This Stronghold Crusader game, which is free to download, is the best example of real-time military and strategy game in the gaming industry. The game takes place not in the Middle East, as one might assume, but in North Africa, where from the 10th to the 14th centuries there was an Islamic empire that was defeated by the crusaders. The plot of the game tells about the events of the Crusades to the Holy Land (the territory of modern Israel, Jordan, Palestine, Lebanon, Syria and Jordan).
